

I am writing on behalf of the K-LOVE radio network. I am not well versed on the LPFM technology but wish to inform you that I very much value the local service that I get from K-LOVE as a resident. I for one would be very upset if K-LOVE were to be displaced by an LPFM broadcaster, or any other broadcaster, for that matter. K-LOVE is a great family radio station that I leave on all the time. I am never concerned that my kids might hear something inappropriate. It is a rare commodity in this day & age. Please do not take any actions that would cause K-LOVE to go off the air in my region.
